WHAT WORRIES & CONCERNS MIGHT GOD BE ASKING ME TO
SURRENDER TO HIM?

Dear Lord,
I surrender these concerns to You. Instead of carrying them into the new year, I choose to trust that You will guide me & lead me & bring me safely through it all. Take my worries & fears, please.
Help me to focus on what is good, what is worthy, what is from You.
I believe You do care for me, about even the smallest things that trouble me.
Help me to put my trust in You more & more in the year ahead.

Thank You!
In Jesus's name I pray,
amen.

Give all your worries to Him,
because He cares about you.

Hopes & goals for 2026

*Yes, my soul, find rest in God;
my hope comes from Him.
Truly, He is my rock and my salvation;
He is my fortress, I will not be shaken.*

PSALM 62:5-6

*Doing what is right
will bring peace & rest.
When my people do that,
they will stay calm
& trust in the Lord forever.*

ISAIAH 32:17 NIRV

Dear Lord,

Life isn't always easy, and sometimes it's hard for me to hand control of things over to You. I want to have a peaceful heart. I want to rest in You. But so many things get in the way. I can feel overwhelmed by all I have to do and all that is wrong in the world and my life.

Today, help me to stop trying so hard to fix everything and to do everything, and to take time to talk to you about all the things I'm troubled about. My current biggest concerns are ... and ... and

Remind me of Your promises of unfailing love and care, and all the ways You've answered my prayers and helped me in the past. Remind me of Your promise to bring good from every situation, no matter what. Remind me of Your love, that You truly do want to carry me, as a loving mother carries her baby.

I surrender my worries to You, trusting that You do care and You will help me through. Please, help me to trust in that promise, and to truly feel it. Help me to follow Your will, to know that You can and will lead me and guide me through whatever difficulties I face.

Help me to let go of trying to get through on my own, and to lean into Your comfort and strength, instead. Help me to feel Your loving presence here with me, now and always. Help me to see what is good in my life, the areas You are working to bring good, the things I can thank You for, right here and right now.

I thank You for and and.....

And I thank You that I can pray to You, dear Father, in Jesus's name, and know that You hear and respond to my prayers. That I can leave all my burdens and concerns at Your feet, and trust in You, and rest in You. Let it be so in my life, dear Lord. Let it be so.

Amen

*When my worry is great
within me,
Your comfort brings joy
to my soul.*
